The Judeo Masonic Roots of Modern "Cult-ure"

October 17, 2018

Just as our bodies need food, our souls also have needs, for meaning

and inspiring models of truth, courage, goodness, beauty, and love.

The satanic cult (Cabalism) that controls modern culture defines

humanity as soulless animals, better to exploit and cull us.

The film *"Why Beauty Matters" (https://www.youtube.com/watch?v=bHw4MMEnmpc)* (left) shows that we are being starved spiritually. Our souls are fed a diet

of dysfunction, ugliness, violence and sexual depravity. *We are being starved.*

To confirm this, just look at contemporary music, literature or films. It's what you'd expect in a society run by a satanic cult, where mention of God is forbidden because atheists might be offended. Where believers have no rights? (The attack is also intellectual.

They suppress information and control discourse.)

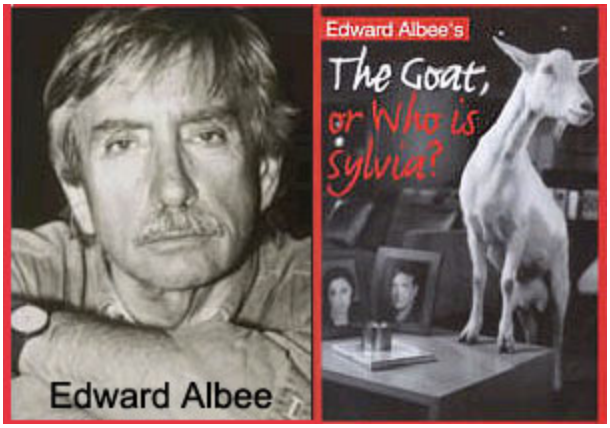
Modern "culture" is a product of the Luciferian conspiracy against Christian Civilization.

Relentlessly negative and increasingly obscene, modern "culture" attacks the sources of dignity, decency, and hope that define us as human beings rather than animals.



For example last week the media in London was hyping a play about "sexual love" between a married man and a goat.

In an interview, the playwright Edward Albee said "*The Goat*" challenged this "societal taboo" and hoped that members of the audience would "re-examine their values and attitudes toward bestiality."

"Funny, moving and tragic," raved *Channel 4 News*, a respected and "serious" programme in the UK.

Bestiality has occurred and the play is primarily concerned with the protagonist's confession and inability to deal with the fact that he "feels guilty for not feeling guilty". "We are all animals," he rationalizes. The play deals with the confrontation between the protagonist, his wife and their gay son.

A reader, Jonathan Stonehouse wrote: "It staggers me to think that there are many who now associate freedom with the normalization of everything

formerly regarded as morally repugnant, when the truth is we're building a world in which the majority will be slaves to every whim and fancy, not to mention dark and abhorrent desire, the human imagination can conceive. That's a form of 'freedom' I can well do without."

True culture is based on refining our animal instincts in terms of spiritual ideals (like truth, justice, goodness and beauty.) Modern anti-culture is based on demoralizing and destroying society by disparaging these ideals and indulging our basest impulses.

Anti-culture portrays man in purely naturalistic and material terms. Every sexual impulse and bodily function must be recognized and indulged. This is considered "courageous" while any demur is considered repressive, prudish or fascist.

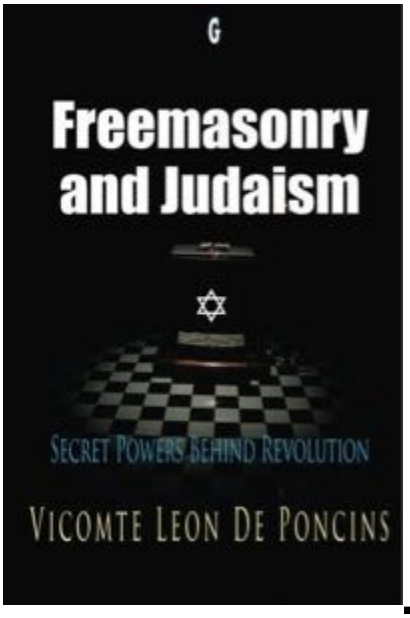
In one of the final episodes of "*Sex and the City*", the audience had to endure Carrie getting a bikini wax. Thankfully we were spared a full frontal view. This is not prudishness. Human dignity requires privacy. Female allure requires modesty and mystery. We have souls, not only bodies.

The exaltation of man's animal nature, at the expense of his spiritual qualities, is a direct consequence of the deification of man. Our anti-culture assumes that man is a finished product and

doesn't need to be transformed by God's Love.

A symptom of making man God is that we mystify and worship human beings. We worship a cult of great minds, a cult of great beauty, a cult of great wealth and power.

Modern "culture" reflects the final unfolding of a diabolical conspiracy that rejects the Designer's instructions.



THE JUDEO MASONIC ROOTS OF ANTI CULTURE (MODERNISM)

By eating the forbidden fruit, Lucifer promised: "Your eyes will be open and you will be like God, knowing good and evil." (Genesis 3:5) This means that man will redefine what is good and evil to suit his self-interest.

God is Good. When man makes himself God, good becomes whatever the most powerful man or group

wants. Good becomes evil and evil becomes good. This is happening today.

There were a lot of groups who wanted to be God but some conservatives believe our anti-culture can be traced to the Jewish view of their "chosen-ness."

Originally Jews had a conception of God as a Universal Moral Force. (This is the Judaism I identify with.) Apparently, in 79 BC there was a Civil War and the Pharisees were victorious. They proclaimed the supremacy of the Babylonian Talmud over the Torah (the first five books of the Old Testament.)

The Talmud teaches that the Jews are chosen by God to lead mankind. In practice, this makes them God and gives them the right to redefine reality. It has made them Luciferians.

In the words of Harold Rosenthal (https://www.savethemales.ca/000334.html) , "Most Jews do not like to admit it, but our god is Lucifer...and we are his chosen people. Lucifer is very much alive."

According to the author "Rabi": "Christianity is

essentially preoccupied with the individual salvation of man. Judaism only contemplates the salvation of the House of Israel, which alone can permit the salvation of seventy nations of the universe." (*Anatomie du Judasime Francaise*, pp.203-204)

Thus the Pharisees rejected Christ (https://www.savethemales.ca/000322.html) because he taught that God is Love and all men are equal in the sight of God.

"The advent of Christ was a national catastrophe for the Jewish people, especially for the leaders," Leon de Poncins writes. "Until then they alone had been the Sons of the Covenant; they had been its sole high priests and beneficiaries... "

He continues: "The irreducible antagonism with which Judaism has opposed Christianity for 2000 years is the key and mainspring of modern subversion...[The Jew] championed reason against the mythical world of the spirit ...he was the doctor of unbelief; all those who were mentally in revolt came to him either secretly or in broad daylight..." (*Judaism and the Vatican*, pp.111-113.)

FREEMASONRY AND JUDAISM

I suspect that the Messianism of the Pharisee Jews may be an instrument of international bankers, a way to consolidate their power. These bankers and

their allies are creating a New World Order that cares little for democratic principles. *They* will be the Gods.

Nathan Rothschild (1777-1836) said: "I care not what puppet is placed on the throne of England to rule the Empire. The man who controls Britain's money supply controls the British Empire and I control the British money supply."

In addition to Jewish Messianism, Freemasonry has been the bankers' tool. It was instrumental in the destruction of the Christian monarchies in Germany, Austria and Russia and the decline of the Catholic (https://www.savethemales.ca/000338.html) Church.

This is also the view revealed in The Red Symphony. (https://www.savethemales.ca/000280.html)

In his *Encyclical Humanum Genus* (1884) Pope Leo XIII wrote that the ultimate aim of Freemasonry is "to uproot completely the whole religious and moral order of the world, which has been brought into existence by Christianity...This will mean that the foundation and the laws of the new structure of society will be drawn from pure naturalism."

Again Pope Leo XIII said: "Freemasonry is the permanent personification of the Revolution; it constitutes a sort of society in reverse whose aim is to exercise an occult overlordship upon society as we know it, and whose sole *raison d'etre* consists of

waging war against God and his Church." (De Poncins, *Freemasonry and the Vatican*, p. 45)

220px-Léon_de_Poncins.jpg

In *Freemasonry and the Vatican,* Leon de Poncins, left, uses Jewish sources to argue that Freemasonry is closely related to Judaism. For example, Rabbi Elle Benamozegh wrote: "Masonic theology corresponds well enough to that of the Kabbala.,,,(*Israel et L'Humanite*, p.73)

De Poncins cites an article that appeared in 1861 in a Parisian Jewish Review *La Verite Israelite*: "But the spirit of Freemasonry is that of Judaism in its most fundamental beliefs; its ideas are Judaic, its language is Judaic, its very organization, almost, is Judaic... "

De Poncins writes that the goal of both Freemasonry and Judaism is the unification of the world under Jewish law. (*Freemasonry and the Vatican*, p. 76)

CONCLUSION

Judeo Masonic culture hasn't been all bad. It has allowed us to accept our sexual desires without guilt and given us the freedom to find God again on our own terms. However, these benefits are temporary enticements. The ultimate aim is to divorce us from God and enslave us to our sexual and material lusts, i.e. to arrest our development.

Mankind is being subverted by its political and cultural leaders, beholden to international bankers and their allies, who often are practicing Luciferians. They use Judaism (incl. Zionism) and Freemasonry as instruments of organization and control. Obviously, the majority of Jews and Freemasons are unaware or do not believe this.

Modern culture makes a God of man. Man defines everything including goodness and truth. The result is that we are in a spiritual prison cut off from God and oppressed by relentless reminders of our own stunted development.

I'm afraid spiritual and psychological enslavement is but a prelude to a political and economic one. Since 9-11, we are sheep grazing in sight of an abattoir.

The vast majority of the Freemasons' symbols are based on Pythagoreanism and geometry which goes back to his studies of musical harmony. The Freemasons and the Illuminati LOVE classical beauty. The devil himself tempts you with infinite beauty. Not only that, but almost all the great artists of the past, like Mozart, Beethoven, Haydn, Chopin, Verdi, Brahms, Debussy, etc. were Freemasons and/or Rothschild projects.

Jazz musicians, pop musicians, painters, ditto. Worse still, plenty of horrible political groups have used beauty to cover up their ugliness. Think of socialist realism, for example, or some of the more sophisticated kinds of advertising, or the Roman Catholic Church.

So the truth is much more complicated, somehow. Certainly, the nihilistic, depressing, enforced ugliness of modernism is satanic. But the often pompous, overly optimistic fixation on beauty and harmony can be just as dangerous. Often times the people most deserving of love are not beautiful, they are unattractive and annoying. And beauty makes great propaganda for evil.

This is an extremely important topic, and I have discussed this with many people. I have always wondered why our society at large seems to be decaying, rather than blossoming...especially when there is so much technology available to expedite the transfer of knowledge. The only possible reason is that society is purposely being driven into decay. There is a concerted plan to ensure that the base nature of man is celebrated! There is no longer any taboos in the world, no sense of morality or shame.

I saw the following article online, and couldnt believe my eyes. The surprising thing is that the responses show a sense of apathy and acceptance. I truly fear for my country, and the world at large.

Thanks Henry...Keep up the good work.

Hello Dr. Makow:

Last night I had the good fortune to discover your writings. I wish I could disagree with them, but they ring to my heart, insight and experience. The questions really began from an event in November of 1963 and have grown stronger. It is hard to quantify, but I have seen and felt the displacement of the male/female roles in our society. I eagerly await "Hoax."

THANK YOU! For having the insight and the courage to go against the evil tides that are sweeping over the world.

I've been reading and enjoying your articles for some time, so much so, that you are scattered throughout my blog. I haven't done much or I haven't said much on my blog, as of yet, but I will be retiring from teaching this month and I hope to write more.

If you wish, check it out:

I went to university when I was 50 years old, did a masters in history, and I'm wondering if I really did get educated as I never heard of the illuminati until after I graduated. I'd like to know why but I think I know the answer.

I am so tired of this world's morality and filthy lies. It is hard to believe that humanity is so stupid as to be wilfully dragged to this base condition, yet it is there in black and white in the pages of the bible that we would arrive in this place of darkness. Christ said that when we see all of the signs of ' our deliverence ' i.e. men fainting out of fear at the things coming upon the inhabited earth, we should raise our heads because of our impending salvation. Like the 49 year old guy below, I am sick to my stomache. I am 57 and wish I could sleep until this is all over. 911 was a terrible shock to my system that caused me to see deeply into the evil of this world and it's rulers. Discovering your site Henry, helped me to understand why all of the wars since the French revolution occurred.

Once you've had the veil lifted from your eyes to the machinations of the satanic bankers and their progeny, you can understand what's behind the news of today, like Georgia, Ossetia and Russia and the U.S.A. People, humans, little children and old folk are nothing in their eyes. Morals is a dirty word to these demons.

Tim said (August 17, 2008):

I just read your article via the truthseeker website, I was begining to think I must be the only right thinking male on the Planet! I am 49 years of age, fit active and intelligent, I refuse to conform to the norms of Society, Over the years Iv noticed a rapid decline in Standards in ALL walks of life, modern relationships are nothing more then mutual conveneint Liasons, No better then Prostitution in most cases. Most people today are driven by nothing more then basic Human faults, Greed, Sex etc, they slave in their jobs purely to buy more Gadgets, Bigger Houses, more expensive Cars etc etc. A futile existence, spiritualy they may as well be the worm in the ground. The Cult of the Moron is all purveying, and Consumerism is the only game in Town. God Help Us !!!!!!!!

Keep up the Good work.

Judaism is something that was acquired when the Jews went into the Babylonian Captivity;they mixed the true religion of the faithful sons of Abraham,Moses,Isaac,David etc. with Babylonianism. This was spiritual adultery and the child born was Luciferian Judaism and unfaithful sons of Abraham. The were seduced.

Seems like around this time synagogues came about in large numbers,a place to basically go and meet people and get connected.

Rick said (August 16, 2008):

I just went to see a movie yesterday, which depict our society to the t. [Woody Allen's] "Vicky Cristina Barcelona". A married guy having affairs with different women because it is the only way to please his wife.In one scene, she, the wife, tells one of the woman:" You have no idea how great it is to have you here. You complement our marriage".and then kissed her. Today, in this depraved society, women control the "strings". We do as they please , unless you are ready to break away from all that meaningless corruption.

In all my years, I have yet to meet one couple who can honestly say:" We are very happy together" or even "we like each other's company". Observe a couple in a Restaurant , he is reading the menu for the fifth time while she is flirting with waitress.It's a sick, sick world we live in.
